Settings Screen:

Settings module developed for managing store information, payment configurations, payment gateway settings, and user role management.

The screenshot shows the 'Settings' page of the 'LPS STORE' application. The left sidebar contains a navigation menu with options: Dashboard, Product Management, POS Billing, Online Orders, Driver Onboard, Customers, Coupons & Offers, Support Tickets, Earnings, Reports, and Settings (highlighted). The main content area is titled 'Settings' with the subtitle 'Manage your store configuration'. Below this are four tabs: 'Store' (selected), 'Payment', 'Payment Gateway', and 'Users & Roles'. The 'Store Information' section is active, showing fields for 'storeName*' (Lakshmi Priya Store), 'Business Type*' (Supermarket & Groceries), 'Business Location*' (India), and 'Phone*'. A logo upload section shows a placeholder image of a basket of fruits with the text 'FARMERS MARKET' and a button 'Upload your logo'. A note states: 'This logo will appear on transactions and email notifications.' The browser's address bar shows 'https://lps.maligaiz.com/settings'. The Windows taskbar at the bottom shows the date and time as 11:01 on 08-05-2026.

The screenshot shows the 'Settings' page of the 'LPS STORE' application, specifically the 'Payment' tab. The left sidebar is the same as the previous screenshot.
